FOR IMMEDIATE RELEASE – Sept 8, 2022

SUPERNOVA INTERNATIONAL DOG SPORTS ACADEMY TO EXHIBIT AT THE SINGAPORE VET SHOW 2022

Positive Reinforcement Dog training service on display at Booth F12

Singapore – SuperNova International Dog Sports Academy is pleased to announce that it will exhibit its service at the Singapore Vet 2022 in October 14-15, 2022 at Suntec Singapore. Industry representatives are invited to stop by Booth F12.

“We’re looking forward to exhibiting our positive dog training service and our new program -- Cooperative Care for vet professionals and their clients at the Singapore Vet Show 2022,” said Shanice Tan, Founder & Dog Training Director. “It’s a great opportunity to reconnect with our customers, meet industry veterinarians and partners and share our positive dog training services with thousands of veterinary professionals.”

At Singapore Vet 2022, delegates can expect to benefit from world-class expert veterinary leaders who will share their expertise through insightful conference sessions and provide clinicians with relevant knowledge that can be put into practice immediately. Attendees can also expect to gain even more with unrivalled networking opportunities at the show.

Riding on CloserStill Media’s tremendous success of the London Vet Show with a strong 10-year history, the two-day conference-led exhibition will serve as a premier platform for thousands of veterinary professionals in the Asia Pacific region to gain CE-accredited veterinary education spearheaded by the Royal Veterinary College and learn from hundreds of regional and local leading suppliers.

SuperNova International Dog Sports Academy is a positive-reinforcement dog training academy that focuses on promoting lifelong companions between dog owners and their dogs in a relationship based on mutual trust, understanding and respect. We will like to work with more vets and their clients locally and internationally to bring more awareness on our new program in cooperative care that’s suitable for vet professionals, groomers and their clients. Cooperative Care program focuses on low stress and fear free handling of the dogs during vet visit and grooming session. We also offer puppy home trainings, dog dayschool at our centre, basic dog obedience (Good Canine Citizen), cooperative care program (for vet professionals, groomers and dog owners), dog agility and fitness program.
